

Brain Bowl Team 2016-17

Greetings 4th, 5th, and 6th Graders!

My name is Mr. Sarvo, and I will be the Brain Bowl Coach for the current school year. I will be giving an assessment for those students that would like to participate, next **Friday, October 21st at 4PM.** We will meet in the cafeteria. Currently, we are only going to be allowed to have 16 students on the team. We are inquiring about having additional students, and possibly an additional team. However, this is not confirmed so for the time being I will administer the pre-assessment, score it, and move forward when I hear back from the Brain Bowl Coordinator.

The assessment is a total of 15 questions, compiled of trivia style questions. I pulled most of the questions from National Academic Quiz Tournaments materials. The topics include Math Computation, History, Science, and Grammar. The assessment should not take longer than 20-30 minutes to complete.

If your child would like to take the assessment please return the bottom part of this flyer, and give it to Mr. Sarvo in **Room 3315**. This just gives me an idea of how many students are planning on attending. Thanks!

Yes, I give my child permission to stay after school on Friday Oct. 21st.
